about us__

Bagon Muebles was founded in 1971 by the González family in a 200sq. mts warehouse that nowadays have become more than 50.000sq. mts.

After more than 50 years of experience and passion for furniture, the third generation of the González Family is taking over.

“We are made of wood”

Our facilities are equipped with the latest technologies to achieve the best results in furniture and wooden work.

We control all the process from the design to the final assembling.

We produce every single part of our furniture because we trust the process.

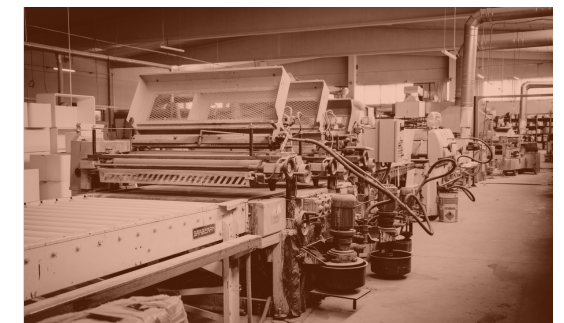

Our factory

Our manufacturing process goes through different stages which merge mechanical and human work to get the most out of the process.

We take care of every detail to ensure that our projects reach the best quality and durability standards.

HOTEL_ ★★★★★
COLÓN GRAN MELIÁ SEVILLA

HOTEL COLÓN GRAN MELIÁ SEVILLA_

Location_

Seville (Spain)

Inspiration_

The historic building and the special light of Seville come into the lobby through the monumental glass dome. This project brings back the 100% sevillian character of one of the most luxurious hotels in Spain and enhances the magic of this very special place.

In 2008 we took part in the bedrooms renewal project. After 13 years we again manufactured several elements for the common areas.

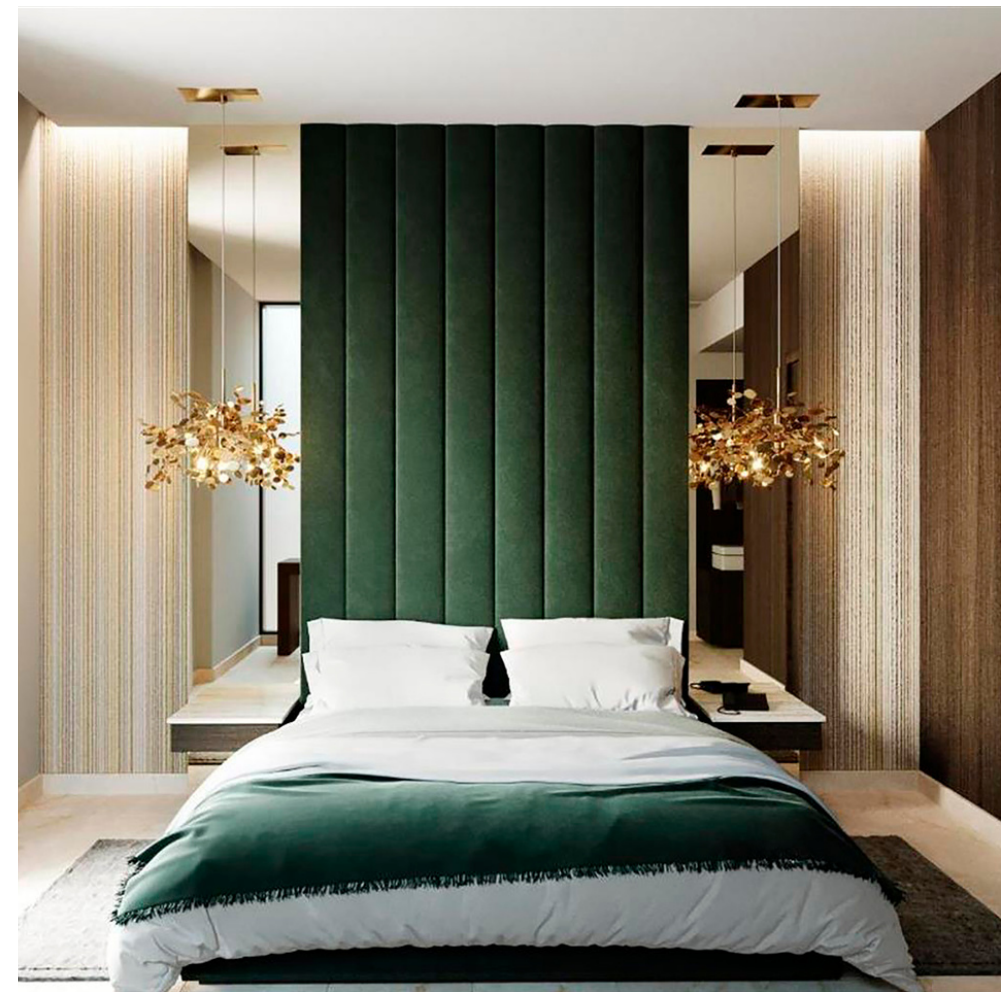

HOTEL_ ★★★★★
ASBU

ASBU HOTEL_

Location_
Tunisia (Tunisia)

Inspiration_
Luxury bedrooms with noble materials and an arabic flare that unites luxury and roots to bring a magical yet mysterious atmosphere.

HOTEL_ ★★★★★
MELIÁ PARADISUS SALINAS

Location_

Lanzarote (Spain)

Inspiration_

The unique light of this volcanic island inspired this project to create a space where the blue of the Atlantic Ocean and the sky are more than a part of the view.

Light colours and natural materials bring the room the coziness guests are expecting.

HOTEL_ ★★★★★ MEDITERRANEAN PALACE

Location_
Tenerife (Spain)

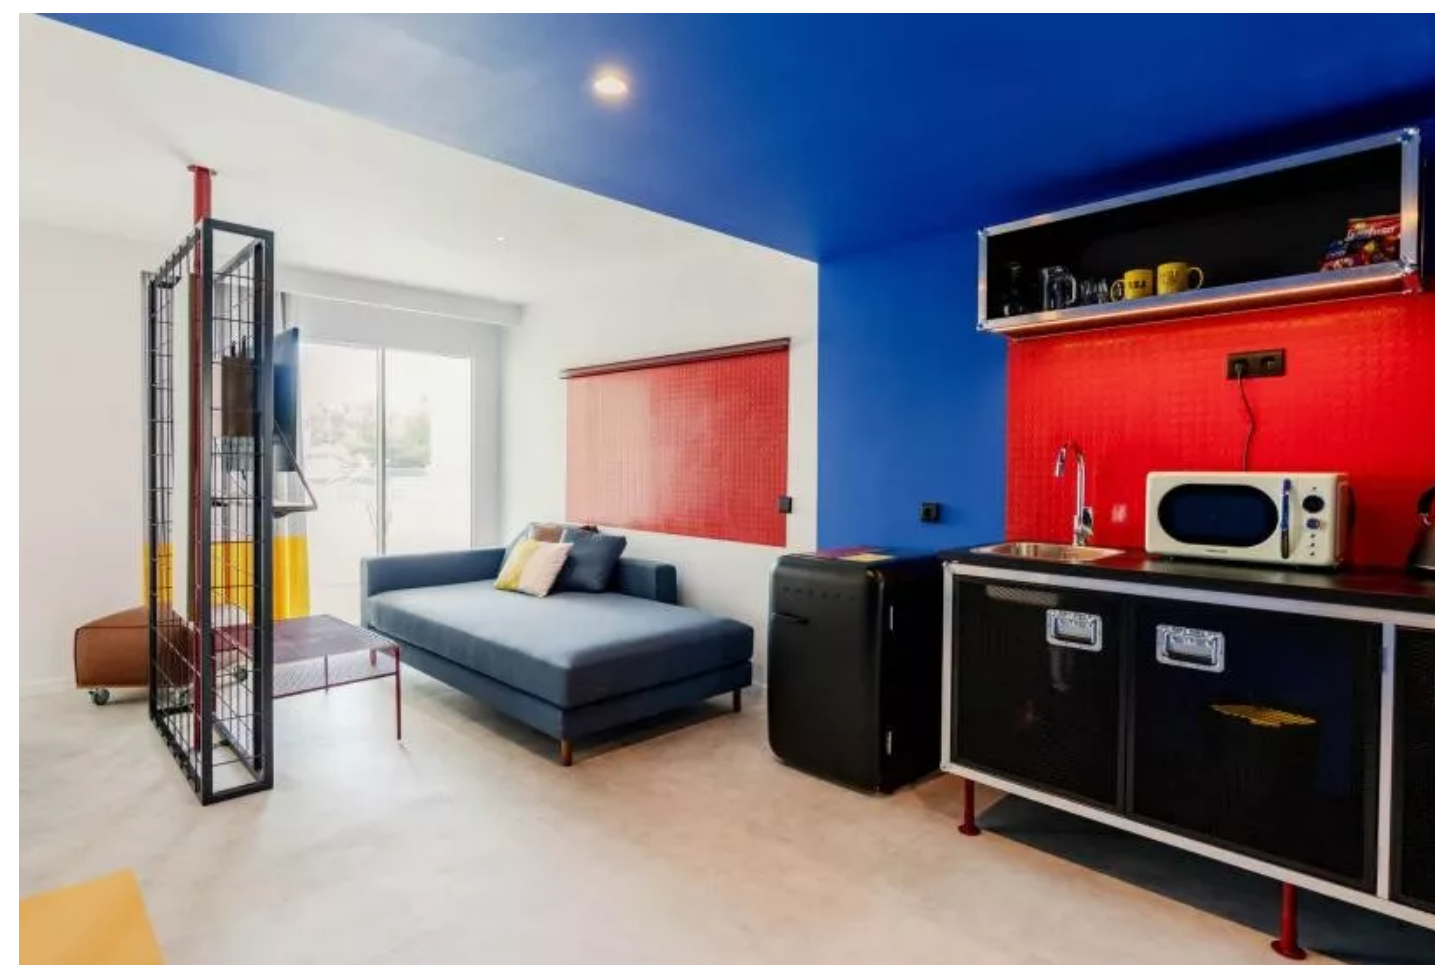

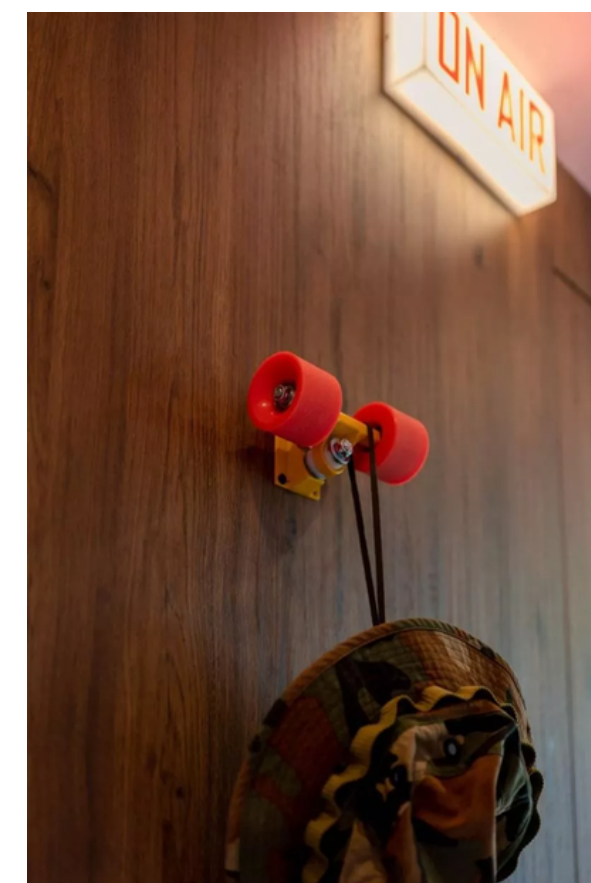

Inspiration_
White, gold and blue are the leading colours of this project which enhances the natural beauty of Tenerife, the capital island of the Canary Islands.

HOTEL_ ★★★★★ RYANS LOLA'S

Location_
Ibiza (Spain)

Inspiration_
Electronic vibes, pop colours and a lot of fun.
At Ryans Lola's there is always something to enjoy, some DJ to meet, some music to dance, some party to have.

HOTEL_★★★★ BRONCEMAR BEACH SUITES

BRONCEMAR BEACH SUITES_

Location_
Lanzarote (Spain)

Inspiration_
Individual suites in a wide territory full of grass, palm trees and flowers makes Broncemar an oasis in the magnificent desert of Lanzarote.

HOTEL_★★★★
CAP NEGRET

Location_
Altea (Spain)

Inspiration_
This boutique hotel is the perfect mixture of natural and industrial design. Metal and wood become one to bring a unique space to relax in one of the most beautiful cities in the Mediterranean.

HOTEL_ ★★★ FIESTA TANIT

Location_
Ibiza (Spain)

Inspiration_
Passion for details is what has led this project: unique finishes in the tables, bespoke mirrors and natural finishes in every piece bring us back to our roots in a luxurious way.

certificates__

We work with suppliers that offer PEFC, FSC and CARB-2 certificated wood as you wish, do not hesitate to ask for further information or other certificates.

We are certified members of these associations and entities:

references__

We have manufactured furniture that is now part of these brands, hotels and facilities. Come and join Bagon Family and live the experience of creating experiences beyond spaces.

contact us__

If you have a project or idea we will love to hear about it and help you choose the best options for you.
